

# Ovotherm eggpacks – exactly what you need!

## Ovopack

OVOPACK 2x6

OVOPACK 1x8

OVOPACK 1x10

OVOPACK 1x12

OVOPACK 1x15

The newest and most innovative product family in the Ovotherm range. The Ovopack range combines both – an appealing and modern presentation of eggs in the egg-display and perfect machinability and efficiency for egg-packers.

## Vision

VISION 3x4

VISION 2x6

The Ovotherm Vision range offers premium egg-packs for presenting 3x4, 2x6 and 1x10 eggs. The innovative and eye-catching design promote the sales of your eggs.

## Supersell Vision

SUPERSELL VISION 2x6

SUPERSELL VISION 1x10

## Traypack

TRAYPACK 2x12

TRAYPACK 1x20

TRAYPACK 1x24

TRAYPACK 1x25

TRAYPACK 1x30

The Ovotherm Traypack family offers a packaging concept for selling eggs. 12, 20, 24, 25 and 30 eggs are shown in an innovative, clear, appealing and stable display. The Traypacks run fully automatised on all modern packing and grading equipment.

## Showcase

SHOWCASE VISION 2x9

SHOWCASE VISION 1x18

SHOWCASE 2x12

SHOWCASE 1x24

In the Ovotherm Showcase family 9, 12, 18 and 24 eggs can be packed quickly, efficiently and securely. Those packs were specially designed for promotional activities in supermarkets.
